Account creation request

Your account creation request status

Your account creation request (ref. #84) has been successfully recorded and will need to be validated by an administrator.

While your request is awaiting validation

To request training please fill out the form at the following URL:
<https://ppms.us/ucla/req?pf=3>

[Back to homepage](#)

You will see this screen once you have successfully submitted an account creation request. A BSCRC Flow Cytometry core administrator will approve your request and add your user rights to the systems you have been previously approved to use prior to the calendaring system going live.
